Post Conference Report

Foreword

Dear Participants,

We are delighted to share the key highlights and impactful outcomes of the "**1st International Conference on Applied Science, Business and Management, Engineering & Technology (ICABMET-2025)"** which was held on **23 - 24 Jul, 2025** in **Chennai, India.**

Theme of the conference is **"Driving Innovation and Sustainable Solutions: Interdisciplinary Approaches in Applied Sciences, Business and Technology"**

The conference brought together a dynamic and diverse community of global experts, researchers, students and professionals, fostering a vital forum for exchanging knowledge, sharing innovations and cultivating collaborative solutions to pressing global challenges.

The event witnessed remarkable engagement, with over 40 delegates and more than 35 participants joining via live stream. This virtual format significantly broadened our reach, enabling dynamic discussions and fostering meaningful interdisciplinary collaboration.

The 1st ICABMET – 2025 served as a vital academic forum, bringing together scholars, educators and researchers from diverse disciplines to share cutting-edge findings, engage in meaningful discourses and advance interdisciplinary research collaboration.

We sincerely thank the universities, research institutions and academic professionals whose unwavering support and collaboration were significant in the success of this conference. We especially acknowledge the **academic partner DKC, India** esteemed professors and external reviewers for their rigorous evaluation and insightful feedback, which significantly enhanced the quality of the submissions. Our heartfelt appreciation extends to all the authors for sharing their pioneering research and contributing to a rich and impactful academic discussion. We look forward to fostering continued knowledge exchange, collaboration and innovation in future editions of this conference.

Dr. Geethalakshmi R
MD & Founder, CERADA.

14. General Comments & Feedbacks

1. Conference Summary

Conference Name: "1st International Conference on Applied Science, Business and Management, Engineering & Technology (ICABMET-2025)"

Theme: "Driving Innovation and Sustainable Solutions: Interdisciplinary Approaches in Applied Sciences, Business and Technology"

Date: 23 – 24 Jul, 2025

Organized by: Dashmesh Khalsa College (DKC), Zirakpur, Punjab, India and Confworld Educational Research and Development Association (CERADA).

No. of Organizing Committee Members: 40

No. of Editors/Reviewers: 10

No. of Speakers: 10

No. of Abstracts Received: 75

No. of Participants Registered: 21

No. of Attendees: 40

1.1 Conference Overview

"1st International Conference on Applied Science, Business and Management, Engineering & Technology (ICABMET-2025)" serves as a collaborative platform for **researchers, academicians, professionals and students** to engage in insightful discussions and share **cutting-edge research findings, advancements** and **best practices** in the field of interdisciplinary solutions that tackle challenges across various domains, including applied science, engineering, technology, business & management, education, social science and humanities and more. Discover **cutting-edge research**, explore **transformative ideas** and engage with **emerging technologies** aimed at solving today's most pressing global challenges. From inspiring keynote speeches to thought-provoking discussions and interactive sessions, ICABMET-2025 offers a vibrant space to **connect, contribute and create impact**.

At the **1st ICABMET-2025** which was held on 23-24 Jul,2025 in **Chennai, India** participants from various professional, academics and educational backgrounds came together to foster collaboration, networks and contribute to achieving the Sustainable Development Goals.

The conference exemplified intellectual diversity, offering in-depth engagement with advanced research practices, technological progress and educational innovation. It effectively bridged the gap between academia, industry and society, promoting interdisciplinary partnerships and meaningful discourse.

ICABMET-2025 stood as a testament to its vision of transforming global education by cultivating an inspiring and collaborative atmosphere where thought leaders could ignite meaningful progress. The conference went beyond traditional participation encouraging active involvement in advancing academic excellence and nurturing a spirit of innovation.

ICABMET-2025, driven by a vision of creativity and cross-disciplinary collaboration, provided an enriching platform that facilitated meaningful exchanges and forged strong global ties, leaving a significant mark on education, research and innovation.

1.2 Conference Theme

The **ICABMET-2025** Conference embraced the theme, **"Driving Innovation and Sustainable Solutions: Interdisciplinary Approaches in Applied Sciences, Business and Technology".** This theme underscored the critical role of interdisciplinary strategies in tackling global challenges, showcasing the latest advancements, addressing persistent issues and exploring future possibilities across various fields.

The ICABMET-2025 theme highlights the critical need for collaborative research that spans multiple disciplines. By addressing the intersections of applied sciences, business strategies, engineering innovations and technology advancements, the conference encourages participants to consider holistic and sustainable solutions to address global challenges.

This theme emphasizes the importance of interdisciplinary collaboration and innovative strategies in addressing pressing global issues. This theme highlights the importance of merging insights from various fields to tackle global challenges, fostering resilience,

sustainable innovation and impactful solutions through collaborative research and application. By fostering partnerships among researchers from various fields, the conference aims to generate impactful solutions that contribute to sustainable development and enhance societal resilience. Participants are encouraged to explore diverse methodologies and share insights that can drive progress across disciplines.

1.3 Objectives & Scope of the Conference

The primary objective of the "1st International Conference on Applied Science, Business and Management, Engineering & Technology (ICABMET-2025)" is to create a dynamic platform that unites academics, researchers, industry experts and students to delve into transformative innovations and evolving trends in interdisciplinary research.

Key Objectives of ICABMET-2025

- To foster interdisciplinary research and dialogue among experts in applied sciences, business, engineering, and technology.
- To explore and promote sustainable practices and innovation.
- To create a network of like-minded professionals dedicated to advancing practical solutions for real-world challenges.

2. Guest of Honour, Keynote Speakers, Session Speakers, Session Chairs

Guest of Honour

Dr. Geethalakshmi R
MD & Founder,
Confworld Educational Research and Development Association (CERADA)

Welcome Address

Dr. Karambir Singh
Principal,
Dashmesh Khalsa College, Zirakpur,
Mohali, India.

Conference Chairs

Dr. Diwakar Ramanuj Tripathi
HOD,
Dept. of Computer Science,
S.S. Maniar College of computer and
Management, R.T.M. Nagpur University,
Nagpur, Maharashtra, India.

Dr. Vandana
Head of Science Department,
Dashmesh Khalsa College, Zirakpur,
India.

Keynote Speakers

Dr. Renante Apelado Diamante
Associate Professor/Dean,
College of Information and
Communications Technology,
Iloilo State University of Fisheries
Science and Technology, Philippines.

Ts. Dr. Iman Farshchi
Professional Technologist (P. Tech)/-
Former Dean,
Faculty of Engineering,
MAHSA University, Malaysia.

Dr. Jimmy Gupta
Head of the Department
Baba Farid College of
Engineering & Technology,
Baba Farid Group of Institutions,
Bathinda, Punjab, India.

Dr. Anuj Kumar Gupta
Director/Principal,
CGC College of Engineering,
Mohali, Punjab, India.

Dr. R. Surekha
Deputy Dean,
Agurchand Manmull Jain College,
Meenambakkam, Chennai,
India.

Session Speakers

Dr.Carla Carmela P.Ramos
Assistant Professor IV,
Department of Information Technology,
Pangasinan State University,
Philippines.

Mr. Subhankar Panda
QA Project Manager-AI/ML
Development, Mphasis, Texas,
USA.

Dr. Manish Kumar Singla
Assistant Professor,
Baba Farid College of
Engineering & Technology,
Baba Farid Group of Institutions,
Bathinda, Punjab, India.

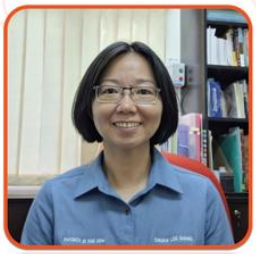
Dr. Shiek Fareeth Ahmed
Associate Professor,
Multi-omics and drug discovery lab,
Faculty of Allied Health Science,
Chettinad Hospital and Research Institute,
Chettinad Academy of Research and Education,
Kelambakkam, India.

Dr. Suriya S
Assistant Professor,
Dept. of BCA,
SRMIST, Ramapuram Campus,
Chennai, India.

Session Chairs

Ms. Sujatha Balakrishna
Senior lecturer,
School of Management and Marketing,
Nilai University, Malaysia.

Ms. Preexcy B. Tupas
Assistant Professor,
College of Computing, Multimedia Arts
and Digital Innovation,
Romblon State University, Philippines.



Dr. Chuah Lee Siang
Senior Lecturer,
Physics Department,
School of Distance Education,
Universiti Sains Malaysia, Penang,
Malaysia.

Ms. Harshini Gadam
Anaplan Business Systems Manager (COE),
Staples,
Massachusetts, USA.

Dr. Mrinal Kanti Sen
Assistant Professor,
Department of Civil Engineering,
Assam Don Bosco University, Azara, Guwahati,
Assam, India.

3. Welcome & Introduction

A very warm and heartfelt welcome to each one of you to the "**1st International Conference on Applied Science, Business and Management, Engineering & Technology (ICABMET-2025)"** which is organized by **Confworld Educational Research and Development Association (CERADA)** in association with **Dashmesh Khalsa College (DKC), Zirakpur, Punjab, India.**

Organized under the compelling theme **"Driving Innovation and Sustainable Solutions: Interdisciplinary Approaches in Applied Sciences, Business and Technology"**

This landmark event brings together brilliant minds and forward-thinkers from across disciplines to share their insights, innovations, and research in the fields of **applied science, business and management, engineering & technology**. This conference represents a timely convergence of minds from diverse fields to share ideas, research and experiences that aim to transform our global future.

In today's rapidly evolving world, the intersection of technology, sustainability and interdisciplinary knowledge is no longer optional — it is essential. This conference aims to foster meaningful dialogue and inspire solutions that not only push the boundaries of knowledge but also contribute positively to society and the environment.

Over the next two days, we will witness a series of **thought-provoking keynote addresses**, **research paper presentations**, **interactive sessions**, and **networking opportunities** from academic, industrial and governmental sectors, that we hope will pave the way for new collaborations, academic exchanges and future innovations.

Each of you brings something unique to this collective discussion and we encourage you to contribute wholeheartedly to the discussions, collaborations and knowledge exchange.

On behalf of the organizing committee, I would like to extend my deepest gratitude to all participants, keynote speakers, session speakers, session chairs, reviewers and academic partner – DKC who have supported and contributed to the success of this event.

Let us embrace this opportunity to learn from one another, to challenge ideas and most importantly, to build bridges across disciplines in pursuit of a better, more sustainable future.

Once again, welcome to **ICABMET-2025** — may this conference be insightful, inspiring and impactful for each one of you.

5. Inaugural Programme

The inaugural session of the **"1st International Conference on Applied Science, Business and Management, Engineering & Technology (ICABMET-2025)"** held in Chennai, India on 23rd and 24th Jul 2025, served as a pivotal moment in setting the stage for the entire event. This opening ceremony offered an ideal platform to present the conference theme, outline its objectives and introduce key stakeholders and dignitaries.

The event began with impactful inaugural speeches, the launch of the conference proceedings, and an introduction to the core Institutional Membership Benefits. This opening session not only welcomed participants but also set a collaborative tone for the days ahead. It recognized and honored the dedication of those who played a vital role in making the conference a success.

6. Conference Proceeding book release

The proceedings of the **"1st International Conference on Applied Science, Business and Management, Engineering & Technology (ICABMET-2025)"** serve as a comprehensive collection of research papers and presentations delivered during the event. This publication captures the innovative ideas, discussions and advancements explored at the conference, providing valuable insights into current trends and future directions in **Applied Science Innovations, Business & Management Trends, Engineering and Technological Advancements, Sustainable Development and Global Challenges, Healthcare Technologies and Biomedical Engineering, Information Technology and Data Science, Education, Society and Innovation, Emerging Technologies in Industry.**

On behalf of the organizing committee, the official release of these proceedings marks a significant milestone in documenting the meaningful contributions made by the participants of **ICABMET-2025**.

7. Technical Presentation Sessions

7.1Technical Presentation Session I

7.1.1 Speech by Session Speaker Dr. Carla Carmela P Ramos

7.1.2 Speech by Session Speaker Dr. Manish Kumar Singla

7.1.3 Speech by Session Speaker Dr. Shiek Fareeth Ahmed

7.1.4 Scientific Presentations – Totally 9 Scientific Presentations were presented in the Technical Session I

8. Technical Presentation Session II

8.1.1 Scientific Presentations – Totally 5 Scientific Presentations were presented in the Technical Session II

9. Technical Presentation Session III

9.1 Speech by Session Speaker Mr. Subhankar Panda

9.2 Speech by Session Speaker Dr. Suriya S

9.2.1 Scientific Presentations – Totally 7 Scientific Presentations were presented in the Technical Session III

10. Award Ceremony

Awards	Name	Title of the Paper
Best Paper	Maynard Capil, Philippines	Exploring Zero Trust Adoption in SQL Server: A Study on Least Access Privileges and Behavioral Analytics
Best Paper Presentation	Dr. Chetna, India	Quadratic Modeling in Informatics Education: Applications, Methods, and Pedagogical Approaches
Best Innovation Research	Rizwana Parveen, India	A Novel Family of Legendre-Based Appell-Type Polynomials and numbers.

11. Conference - Conclusion Summary

The **"1st International Conference on Applied Science, Business and Management, Engineering & Technology (ICABMET-2025)"** held on 23- 24 Jul 2025 in Chennai, India brought together a dynamic assembly of experts, researchers, practitioners and sustainability advocates from across the globe. Centered around the theme "**Driving Innovation and Sustainable Solutions: Interdisciplinary Approaches in Applied Sciences, Business and Technology**" the conference created a vibrant platform for interdisciplinary discussion, knowledge exchange and strategic collaboration aimed at advancing the Sustainable Development Goals (SDGs).

Key Highlights

The event opened with an inspiring keynote address by **Dr. Geethalakshmi R**, Managing Director and Founder of CERADA, who underscored the critical role of education, innovation and global collaboration in empowering researchers to make a sustainable impact. She highlighted the relevance of multidisciplinary conferences in strengthening academic engagement and discussed global academic benchmarking through QS University Rankings and Times Higher Education (THE) World University Rankings. The keynote sessions that followed showcased significant breakthroughs and emerging trends in Engineering, Science & Technology and Social science and Humanities.

Research Presentations

The conference featured over **21 research presentations**, spanning diverse themes across **Applied Science Innovations, Business & Management Trends, Engineering and Technological Advancements, Sustainable Development and Global Challenges, Healthcare Technologies and Biomedical Engineering, Information Technology and Data Science, Education, Society and Innovation, Emerging Technologies in Industry**. These sessions highlighted cutting-edge findings and sparked engaging discussions, offering a platform for researchers to share innovations and receive valuable feedback.

Networking Opportunities

ICABMET-2025 facilitated dynamic networking opportunities through virtual sessions. These interactions enabled participants to build meaningful connections with fellow researchers, industry professionals and potential collaborators. The sessions were highly appreciated for fostering interdisciplinary engagement and sparking new partnerships.

Key Achievements and Outcomes

- Several **collaborative projects and academic partnerships** were initiated.
- The **conference proceedings**, including abstracts of research papers and keynote addresses are scheduled for publication, ensuring broader dissemination of knowledge.

- Discussions on **future conferences** included suggestions for expanded thematic areas and interactive formats to further increase participation, innovation and impact.

Closing Remarks

During the closing session, **CERADA** extended heartfelt gratitude to all participants, academic partners and organizers. The success of the conference in meeting its goals was highlighted, with a strong emphasis on the ongoing importance of collaboration and innovation. Attendees departed with a sense of achievement and a renewed determination to push boundaries in their respective fields.

The conference concluded on an uplifting note, with participants feeling inspired and eager to apply the knowledge and insights gained to their future work. The event not only celebrated the accomplishments of the present but also laid the groundwork for future research and development, setting a clear vision for continued progress and collaboration.

12. Vote of Thanks

Dear Researchers, Academicians and Students,

As we conclude this impactful **"1st International Conference on Applied Science, Business and Management, Engineering & Technology (ICABMET-2025)",** it is with deep appreciation and gratitude that we extend a heartfelt vote of thanks on behalf of the organizing committee. This conference has been a rich confluence of ideas, research and meaningful dialogue and its success is owed to the collective effort of many dedicated individuals and institutions.

First and foremost, our sincere thanks go to our distinguished speakers. Your insightful presentations and thought-provoking discussions have been central to the success of this event. You have inspired us to approach the pressing issues in Engineering, Science & Technology with renewed curiosity and commitment.

A special note of appreciation is extended to our organizing committee and volunteers. Your behind-the-scenes coordination, meticulous planning and unwavering dedication have been the backbone of this conference. Your efforts have ensured that every detail was attended to, creating a seamless and enriching experience for all.

To all our participants, thank you for your active engagement, thoughtful questions and willingness to share your perspectives. Your enthusiasm and commitment to advancing knowledge have added immense value to the proceedings.

We also acknowledge the venue team and technical staff for their professionalism and hospitality, which provided us with a welcoming and conducive environment to exchange ideas and build new connections.

In closing, we express our deepest appreciation to everyone who contributed, in any capacity, to the success of this conference. Whether as a speaker, partner, participant or volunteer your support and collaboration have been persuasive. We look forward to continuing these conversations and building on this momentum in future conferences.

Thank you once again, and we wish you continued success in all your academic and professional endeavours.

13. General Comments & Feedbacks

Overall Comments from Participants

- The conference was organized and coordinated with remarkable efficiency and professionalism.
- Sessions delivered by the speakers were insightful and intellectually stimulating.
- It was truly an outstanding international conference, exceeding expectations in many aspects.
- The panel discussion was highly engaging, fostering active participation and idea exchange.
- Keynote addresses were impactful and delivered valuable perspectives worth reflecting upon.
- Any concerns or issues raised were handled promptly and thoughtfully by the organizing team.
